

# PLEASED TO MEET YOU!

{Use this guide to get around while we get to know you}

interworks

## Where we are

Unit 1, Christchurch Business Park, Radar Way  
Christchurch, Dorset, BH23 4FL

## When you get here

If you arrive by car, there are several visitors spaces facing the road, next to our front door - you are welcome to park there, or in any of the other 6 spaces in front of our building. There are no time restrictions.

The front doors have security locks, so please ring the bell nearest our logo plaque and someone will come to let you in.

## Contacting us

If you're lost, or just want to say hi! then call us on:

**01202 37 33 33**

If you want to email us then it's:

**hello@interworks.co.uk**

## How to find us

### By SatNav:

We're on a new business park and some satnav systems may not recognise our address. Enter the street address or the lat/long coordinates below:

The Runway, Christchurch, BH23 4FL

Lat: 50.739767 | Long: -1.733517

### Using Google Maps:

If you type 'InterWorks UK' into the search box, we will appear as the top result.

### By Train:

If you take a train to Christchurch Station (CHR), then you will need a taxi as it is 3 miles from the station to our door. Two local taxi numbers are 01202 484848 and 01202 470000.

### The Building:

When you arrive on to 'The Runway', from a northerly direction, you will see the turning into Radar Way on your right almost immediately. We are in the first building on the left hand side of Radar Way.

Our sister company is Total Disc Repair, we share the same building - so you could also look out for their sign and marker on the map.
